

NON-COMMERCIAL AUDIO LIBRARY LICENSE

Version 1.1 – January 2026

This license governs the use of the audio recordings and compositions (“Audio Content”) created by Peri Eskell and distributed under the PSFX name. By downloading, copying, modifying, or using the Audio Content, you agree to the terms of this license.

1. Covered Content

This license applies to all PSFX audio content, including sound effects, ambience and environmental recordings, musical compositions, loops, and hybrid audio content.

This includes the following modules: PSFX – Peri’s Sound Effects; PSFX – Patreon; PSFX – Ambience; PSFX – Music.

2. Permission for Non-Commercial Use

You are granted a non-exclusive, royalty-free, worldwide license to use, adapt, remix, and synchronise the Audio Content for non-commercial purposes only. Attribution is optional but appreciated.

3. Prohibited Uses

Commercial use of any kind requires prior written permission. Redistribution or repackaging of the Audio Content as a sound library, asset bundle, or similar collection is prohibited.

The Audio Content may not be used for artificial intelligence or machine learning purposes, including training, fine-tuning, data scraping, dataset creation, or generative systems, whether commercial or non-commercial.

4. Creative Commons Reference

This license is inspired by the Creative Commons Attribution-NonCommercial-NoDerivatives 4.0 International License (CC BY-NC-ND 4.0), with modifications allowing non-commercial derivatives and explicitly prohibiting AI use.

5. Disclaimer

The Audio Content is provided “as is,” without warranty of any kind. The creator shall not be liable for any claims, damages, or liabilities arising from use.
