Kindness Ring Pink

by SANDEEP CHOUDHARY

USD \$12.00

Hades Style bible and prop designs.

Finally happy to share my Style bible project on the game Hades.

I analyzed the style of Hades from Supergiant

These are incredible, and you really nailed the style. I love seeing your concepts for the guitar shapes especially. Also, I found your lighting study very helpful and informative.

Concept Designer - Open to work

This is amazing work, and super helpful as a style guide to anyone trying to emulate this style. I just completed a Hades themed project myself and was glad to stumble across your guide!
